ENGLISH AND CHINESE
DICTIONARY.
WITH THE PUNTS AND MANDARIN PRONUNCIATION.
An Anglo-Chinese Dictionary, published at the Daily Press Office, Hongkong.
For complete and practical service this work stands unrivalled. All the new words which the Chinese have of late years been compelled to coin to express the numerous objects in nature, photography, telegraphy, and in science generally, which the rapid extension of foreign relations has imposed upon them, are here given in extenso. Each and every word is fully illustrated and explained, forming a storehouse of a most instructive nature. Both the Court and Punt pronunciations are given, the accents being carefully marked on the best principle hitherto attained. The typography displays the accuracy of an eye for the eye, and the Chinese and English type correspond in the size of body, thereby effecting a vast economy of space, achieving a clearness not previously attained, and dispensing with those vast margins and vacant spaces which have heretofore characterized Chinese publications.

To illustrate the vast scope of the work the following facts are submitted for consideration:—
1. The Dictionary contains over 15,000 Chinese characters, and Mandarin's English and Chinese Dictionary about 100,000, whilst this work contains more than 50,000 Chinese characters, and over 60,000 English characters.
2. It contains a list of 60,000 Chinese characters, and a list of 60,000 English characters.
3. It contains a list of 60,000 Chinese characters, and a list of 60,000 English characters.
4. It contains a list of 60,000 Chinese characters, and a list of 60,000 English characters.

THE MANHATTAN LIFE
INSURANCE COMPANY.
136 & 138, BROADWAY, NEW YORK.
POINTS FOR AN INSURER TO CONSIDER.
AN ORDINARY LIFE INSURANCE Policy provides an estate for your dependants after your death, free from the claims of creditors. An ORDINARY ENDOWMENT POLICY provides for death, and also for one's advancing years, but leaves no estate. THE MANHATTAN LIFE offers both advantages combined in one, and at a very much reduced cost. The policy is superior to ordinary Life Insurance, because you need not "die to win." Superior to ordinary endowment insurance, because much less expensive. Superior to "Penny" Insurance, because the results are not ESTIMATED, but are fixed in a positive contract. 2nd.—Because, after three years, there is no ROYALTY OF PAYMENTS on discontinuance of the policy, a cash or paid-up value being guaranteed by the New York Law. Business men appreciate the advantages of this new form of insurance, and are largely investing in it, because—
The Mutual Deposit is GUARANTEED SAVED, while it secures the needed insurance during a designated period.
3rd.—Positive Results.
Of a Policy in the MANHATTAN LIFE on the NEW PLAN.
Age 30; Amount of Policy, \$10,000; Term 20 Years. \$ 301.80
The 20 payments will amount to \$ 36,638.00
At the end of that time the Company \$ 65,700.00
will return to the holder in cash.
Thus the \$10,000 Insurance will have been secured at the most cost for \$ 338.00
20 years of only \$ 338.00 insurance per year, or the Cash he need not draw the \$ 10,000.00 Policy will become paid up for \$ 10,000.00. These results are not estimated, but are fixed in a positive contract, the full face of the Policy meanwhile being payable in the event of the death of the assured. There is no forfeiture of payments on discontinuance of policy after three years. A Cash or Paid-up Value being Guaranteed by the Terms of the New York Law. THE MANHATTAN LIFE
INSURANCE COMPANY.
136 & 138, BROADWAY, NEW YORK.
POINTS FOR AN INSURER TO CONSIDER.
AN ORDINARY LIFE INSURANCE Policy provides an estate for your dependants after your death, free from the claims of creditors. An ORDINARY ENDOWMENT POLICY provides for death, and also for one's advancing years, but leaves no estate. THE MANHATTAN LIFE offers both advantages combined in one, and at a very much reduced cost. The policy is superior to ordinary Life Insurance, because you need not "die to win." Superior to ordinary endowment insurance, because much less expensive. Superior to "Penny" Insurance, because the results are not ESTIMATED, but are fixed in a positive contract. 2nd.—Because, after three years, there is no ROYALTY OF PAYMENTS on discontinuance of the policy, a cash or paid-up value being guaranteed by the New York Law. Business men appreciate the advantages of this new form of insurance, and are largely investing in it, because—
The Mutual Deposit is GUARANTEED SAVED, while it secures the needed insurance during a designated period.
